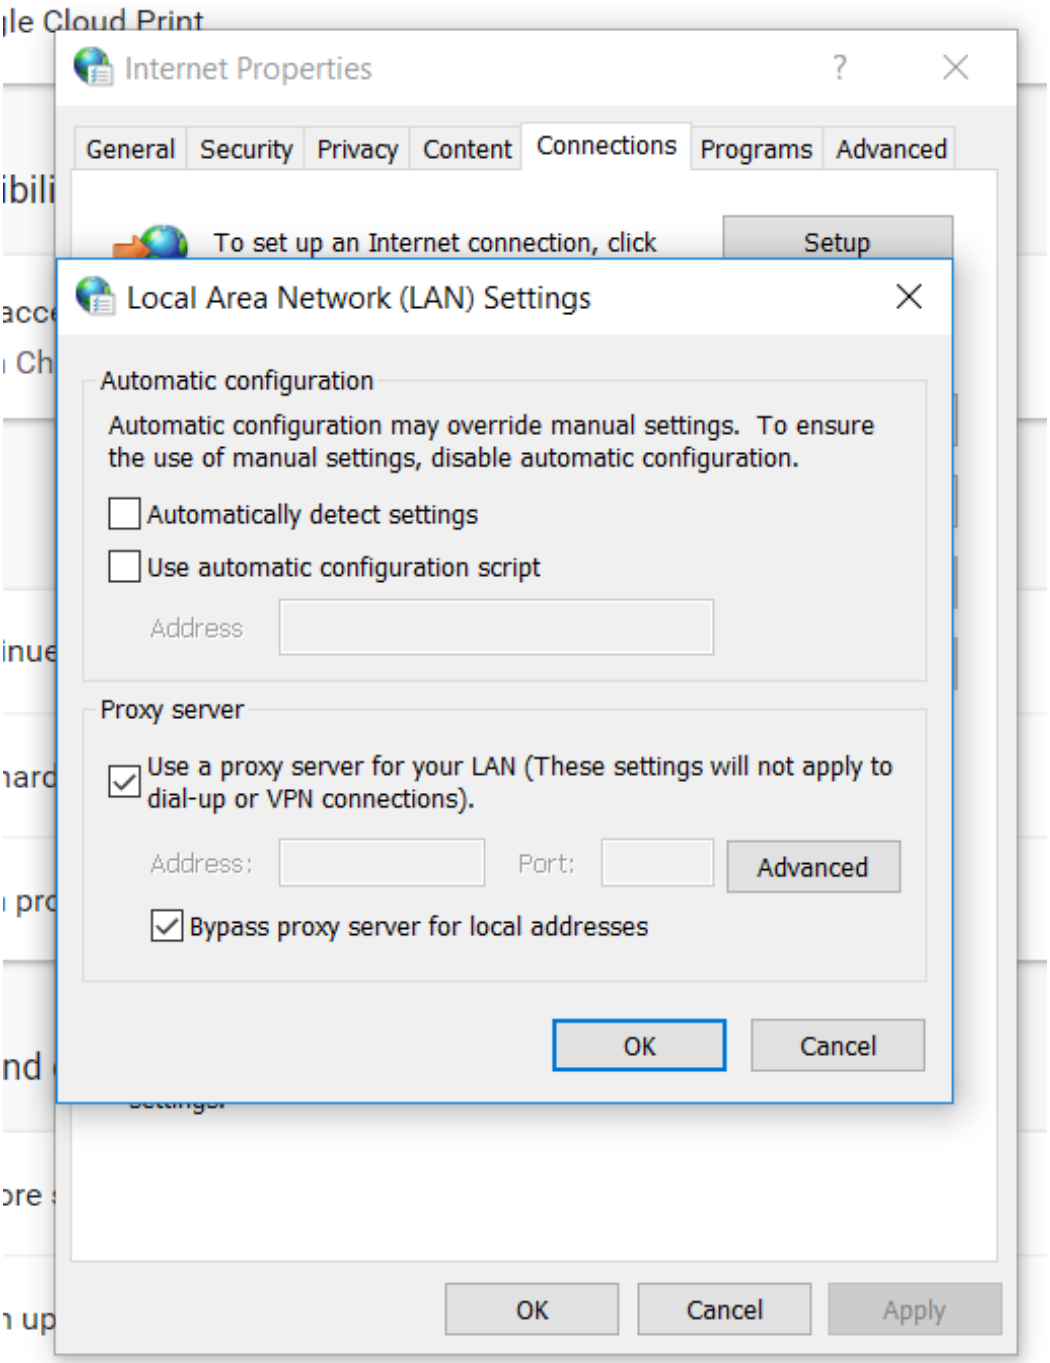
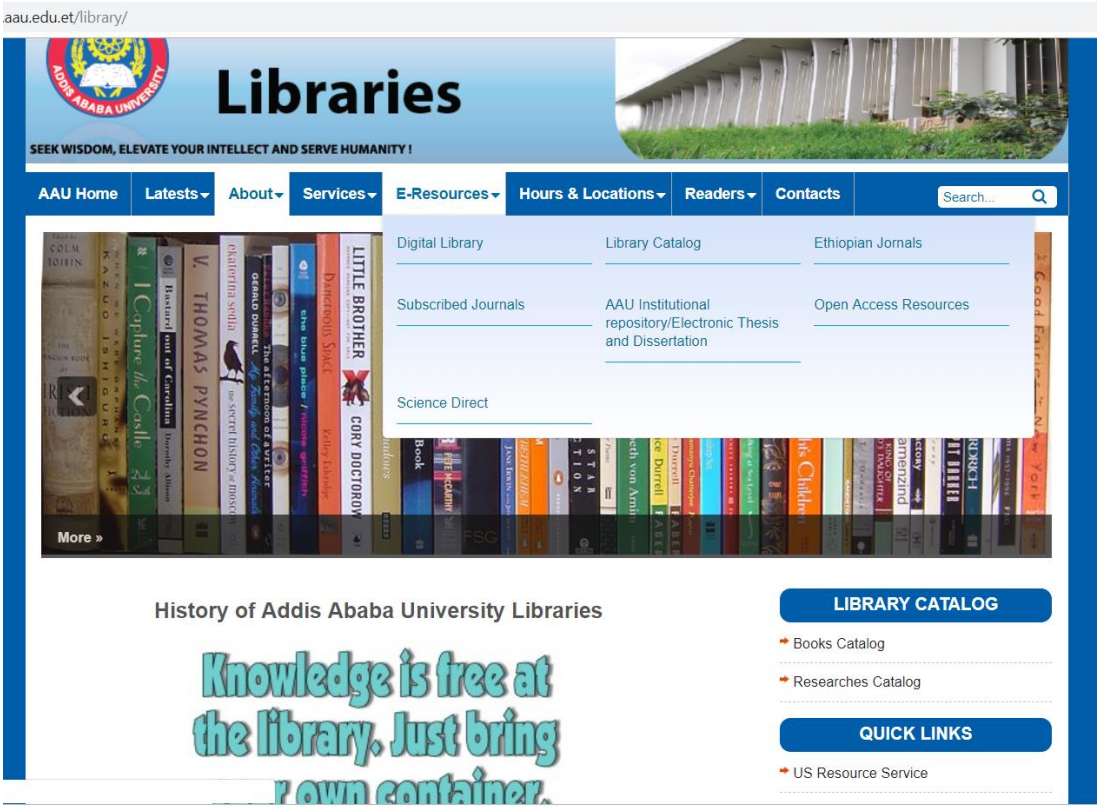
Procedure to access library resources

1. Go to setting in your browser and change the proxy server using the following address:
    a. Proxy Address: 10.90.10.70
    b. Port: 8080



2. Open aau.edu.et and click on library menu

3. Click E-resources from the main menu



4. Select either of the drop down menu from E-resource and get access of articles, books or thesis /dissertation

Tips

If you want to get access of science direct articles use the following site once you change the proxy setting

Libecat.aau.edu.et

Note:

If you want training, please be in group and we will arrange the training.
